In our opening league fixture the First XI scored early through an Edward Savitt driven shot. The team then relaxed into playing some flowing football against the current holders of the League. Chances were scorned to increase the lead and it was a growing concern that pressure had not resulted in a second goal. In the second half, however, Charlie Howells' work rate down the left was proving decisive and a superbly worked move led to him crossing beautifully for Kwadwo Sarpong to poke home from close range. With the opposition pushing forward this left acres of space behind their defence to exploit, which the team duly did. Ben Raper was scythed down and Edward Savitt calmly slotted home the penalty. He then smashed an unstoppable free kick, the outcome of which was a 4-0 victory, an early top of the table berth and his hatrick.
