

BEYOND THE CLASSROOM

ACTIVITIES OPTIONS SUMMER 2020

SELECTING YOUR ACTIVITIES

Fourth Form and Lower Fifth: please select a minimum of three activities. At least one of these should be non - sporting.

Lower Sixth: please select a minimum of two activities. At least one of these should be non - sporting.

Upper Fifth and Upper Sixth: Most activities are optional for you. However, you may have been pre - selected for an activity, which means you are expected to attend this one. If you chose not to select activities, there will be a plethora of departmental revision clinics that you will be able to visit in this time instead.

Pupils are advised to try something new each term. However, some things you may be pre - selected for, such as scholars' sessions and CCF.

Some activities will repeat material each term and so it is not appropriate to reselect. If you are unsure, or have any questions about an activity, please contact the member of staff listed as in charge.

If you have any selection issues or need to discuss your activities, please contact Miss Clarkson:
jclarkson@stjohns.surrey.sch.uk.

For the days you are not taking part in an activity you should select one of the following

No activity - going home

No activity - boarding

No activity - waiting for the bus in the library

MONDAY

Activity name	Staff in charge	Year group	Activity description
1 st XI football preparation	JDP	L6	This activity is designed for those pupils who wish to prepare to compete for the 1st XI Football side during the 2020-21 season. The sessions will take on a mixture of practical, video analysis and culture focuses. The intention is that this will prepare pupils for the Boodles ISFA U18 Cup beginning in September.
Academic scholars	JC	L5	Invite only - these sessions will explore a weekly theme to develop new thinking skills and will involve academic challenges on interesting topics not covered on the GCSE specifications.
Art A level Coursework enrichment	KLB SLE	L6-U6	This session can be used for examination preparation, practical or essay work. Students applying for an art foundation can also use this time to get assistance with portfolio management.
BikeHAX	SAXT	All	Learn how to maintain and upgrade your bike. Whether you ride a road bike or mountain bike, develop the practical skills to keep it running reliably (and quickly). Learn how to build new wheels or a whole bike and create custom components using the D&E machinery. A must for any aspiring engineers or keen cyclists.
Cattery club	REPE	U5-U6	Cat protection is a national charity who help over 200,000 cats and kittens every year and are a leading force in feline welfare. We have one of the charity's rescue catteries on the school site and this activity is an opportunity for you to get involved in volunteering. This will involve aspects of cat care, socialisation as well as fundraising and advertising of the cats to find new homes.
Circus skills	ATD	All	Come and learn how to juggle with balls, clubs or knives. Alternatively, learn how to ride a unicycle, master new diablo tricks, try out devil sticks, plate spinning or cigar boxes, or shaker cups. All the equipment and instruction is provided. The club is best suited to people who have a reasonable level of coordination and who have the perseverance to keep going with a skill.
Conditioning		All	Supervised time in the new school gym. Staff will be on hand to advise with fitness programmes. Due to high demand, pupils will only be permitted to do conditioning if they do not do it as a games option and only one activity session in the gym per week will be allowed.
Consolidating your biological knowledge	PR	L6	This activity will involve discussion of key biological concepts in preparation for their development next year.
Cricket 1-2-1s (Senior)	GDJ/ DJH	L5-L6	This session is invite only and will be an opportunity for 1 st team players to work closely with coaching staff.
Cryptic crossword club	LPR	All	Crossword puzzles are not easy but there are methods for dissecting clues and being able to solve them can be a satisfying process. There is evidence that crosswords can improve your mood and reduce stress and they will almost certainly improve your vocabulary and verbal skills. Scientists also believe there is a correlation between solving crosswords and reducing the risk of dementia and Alzheimer's. They also make a great social activity and it is also something you can do on a train, plane, jet ski etc. so if you fancy becoming a cruciverbalist, come along.
CSU Placement	NTW	L6-U6	Invite only - continuing placements from last term. You will be pre - selected on SOCs for this activity CSU (Community Service Unit) activities allow pupils to volunteer in the local community such as assisting at a local school for children with special needs during break times and at after school clubs. Visiting local care homes to chat to residents is another option, plus assisting staff at charity shops in Leatherhead.

Activity name	Staff in charge	Year group	Activity description
			Gardening for local residents and taking food to a local homeless centre are further options.
Devising Drama A Level	JRG	L6	Within this activity, pupils will use an extensive range of drama techniques to develop and polish devised drama performance work using play texts and theatre practitioners as a stimulus. Drama pupils will be pre-selected.
Early GCSE Languages	RSS	4F-L5	Invite only - you will be pre - selected on SOCs for this activity.
French debating	NB	All	Learn to debate in French using key language. The club will help you to boost your confidence in the language and develop your grammar awareness. It is a great way to also work on spontaneous speech. The debates are varied, original and thought provoking.
History (Junior)	JDP	4F- L5	A chance to explore interesting historical issues in a fun and engaging way. Over the last year, the society has created their own history board games and discovered the historical origin of expressions such as turning a blind eye. In addition, we discussed civil rights and WWII and the history of Japan and Vietnam have both been portrayed in films. We concluded the year by investigating key events of the Cold War. The members of the society will play a key role in deciding what they would like to investigate next.
House activities	SHS	All	There will be a house activity option for every house. Pupils will have signed up in advance for this option to take part in house community events and planning. These sessions will give pupils the chance to be involved in house based decision - making and time to plan and execute fundraising and events related to house and house charities.
Jazz Band	RSP	All	Invite only - you will be pre - selected on SOCs for this activity. The Jazz Band is a small ensemble exploring the Jazz classics. Anybody wishing to be considered for the group should contact Mr White.
Maths senior society	GCB	U5-U6	The society gives an opportunity to look into some recreational and non – syllabus mathematics topics. There may also be the chance to prepare and deliver a short talk of your own, something that would be excellent preparation for maths related university interviews. Some recent topics have been mathematics of dating, MP3 compression, odds and bookmakers, the mathematics of juggling and mathematics in the Simpsons.
Politics (Junior)	JAT	4F-U5	This is your opportunity to debate, discuss and argue about the big issues of the day. We will have the occasional guest speaker, some weeks we will make a party political video, some weeks we will have a debate and will be a round table discussion of the issues that dominate our lives and futures.
Schola	AKA OJW	All	Invite only - you will be pre - selected on SOCs for this activity. The Schola Cantorum is a small mixed vocal ensemble of around 20 people. The Schola perform a range of music in a variety of styles and genres, specialising in acappella repertoire. In 2018, the Schola were runners - up in the Barnardo's National Choral Competition. They rehearse on a Monday evening and perform at a number of services and concerts throughout the year. Members are invited to join throughout the academic year. The Schola is led by Mrs Anderson.
Social tennis		All	The top tennis court and top astros will be open for social tennis where you can play with friends and arrange informal tournaments.
TechHAX	ADM	4F-U5	Play with microelectronics and learn how to automate those time - consuming chores that get in the way of your leisure time. Be lazy... but get creative! Feed you pets without even being at home! (for example!)
US Politics	MAS	U5-U6	There has never been a better time to discuss US politics. Each week we will discuss the key issues and current events dominating the US political scene - from Trump's latest tweets, the events in Congress to the race for the 2020 presidential nomination.

TUESDAY

Activity name	Staff in charge	Year group	Activity description
Academic scholars	JC	4F	Invite only - these sessions will explore a weekly theme to develop new thinking skills and will involve academic challenges on interesting topics not covered on the GCSE specifications.
Art	NDD	4F	An introduction to using Photoshop Elements. Find out how to enhance your images, apply special art effects and experiment with filters to explore your inner artist.
Chemistry (Junior)	TAH MVD	4F - L5	Thinking of doing chemistry at A level? Thinking of taking chemistry beyond school? The Junior Chemistry Society offers you the chance to explore chemistry practicals far beyond the scope of the curriculum - from getting electricity from a lemon to writing with fire! Safety specs at the ready!!
Chess	LPR	All	Open to players of all standards, chess club aims to teach chess skills and help those who want to improve their game. Chess is a game that improves concentration and memory, helps you to develop logical thinking and encourages imagination. It helps you to predict the consequences of actions and fosters problem - solving techniques.
Cooking	AMM, NB	All	Come and join French cooking club - learn to cook simple and filling recipes. The cooking club will teach you to cook both sweet and sour dishes. Recipes are both in French and English
CSU	NTW	L6 - U6	Invite only - continuing placements from last term. You will be pre - selected on SOCs for this activity CSU (Community Service Unit) activities allow pupils to volunteer in the local community such as assisting at a local school for children with special needs during break times and at after school clubs. Visiting local care homes to chat to residents is another option, plus assisting staff at charity shops in Leatherhead. Gardening for local residents and taking food to a local homeless centre are further options.
Foreign language film club	LCME	All	Come along to enjoy a variety of Modern Foreign Language films and riveting discussion of them in MFL film club! You will enjoy a range of different films to learn about a variety of cultures and language, as well as sit back and enjoy! Popcorn is encouraged.
History (Senior)	MAS RAR	U5 - U6	A chance to explore a broad range of interesting historical issues in an engaging way. Over the last year, the society has investigated the origins of historical writing, how leading Nazis were put on trial, the rise and fall of empires, 20th century genocides as well as studying historical figures such as Che Guevara and how their lives have been portrayed in film. Pupils have also worked on a project to create a video documentary. The society would be an excellent choice for anyone considering studying history at A level or university.
Med Soc	AMA	U6	The focus for MedSoc this term will begin with finalising course choices and applications, and then we will work on interview preparation until Christmas.

Activity name	Staff in charge	Year group	Activity description
Music tech club	Jean - Pierre Sutcliffe	All	A chance for all budding recording producers and sound technicians to learn the skills of the recording studio, technical equipment and software required to mix and edit all music under the expert tutelage of Mr Sutcliffe.
OxBridge-Science group	AMA CRF	L6	This time can be used to prepare for interviews, tests and to take part in extension work that will strengthen your application.
Scale Models	WTM	All	This is a new club for those who wish to develop or improve their scale modelling skills with a range of kits to suit all abilities. Kits may include aircraft, vehicles, figurines or boats. This activity may be of interest to those exploring opportunities in engineering or even those who wish to develop an interest in a traditional hobby. All welcome.
Sinfonia	OJW, SLT	All	Invite only - you will be pre - selected on SOCs for this activity. The Sinfonia is made up of players who are Grade 6 standard and above, and explores music from all genres. It performs at least three times a year.
Social tennis		All	The top tennis court and top astro will be open for social tennis where you can play with friends and arrange informal tournaments.
Sports scholars		L5-U6	This session will provide sport scholars an opportunity to work closely with coaches on a variety of skills and sports. Some sessions will be dedicated to fitness, others will take a multi - sport approach or you will be allocated to a designated sport. Pupils will be pre - selected for this activity.
Water polo	CLM LEH	4F-U6	Activity for beginners to experienced water polo players (boys and girls). We will work on some speed for players, drills and different passes as well as some strategic plays. If we have enough players, we can play some full games in this session. If you can tread water for 30 - 40 min - you can play water polo! Keep in mind some schools are interested in playing games against us so we could put a team together!
Young enterprise	LP	L6	Working together pupils will develop ideas for small-scale businesses and compete. This activity will help you to develop your business acumen, teamwork skills, leadership, public speaking and presentation.

WEDNESDAY

Activity name	Staff in charge	Year group	Activity description
Additional maths	FMCH	L5	For those pupils taking the additional maths qualification.
Art – GCSE coursework enrichment	SLE	U5	This is an invaluable session to all pupils studying GCSE art, allowing them much needed time within the art studios to continue to prepare for their examination.
Calligraphy and hand lettering club	AMM	All	In this club, you will learn hand - lettering and illustrated hand - lettered designs as well as an introduction to calligraphy starting with simple zigzags and moving on to lettering. The techniques are then applied to projects such as creating greeting cards. Try something new and creative and be sure to improve your handwriting skills.
Chemistry (Senior)	JELC	L6-U6	A mixture of theoretical and practical problem solving to experience cutting edge chemistry in research as well as preparation for the Cambridge Chemistry Challenge.
Coding (Junior)	MR	4F-U5	The basics of coding are introduced by using VB.net and python to solve application problems. No prior coding knowledge is required and simple tasks will be developed as a class, with some opportunity for pupils to do their own coding.
Concert Band	AKA OJW	All	A fresh, new and exciting ensemble open to all instrumentalists Grade 3 and above. The Concert Band will focus on arrangements of popular music, film music and march repertoire.
Conditioning		All	Supervised time in the new school gym. Staff will be on hand to advise with fitness programmes. Due to high demand, pupils will only be permitted to do conditioning if they do not do it as a games option and only one activity session in the gym per week will be allowed.
Croquet	CMM	L6-U6	Come and perfect or learn one of the sports which has the longest history at St John's. No previous experience required and you have the opportunity to play on the Quad.
Current affairs club	NTW	4F-U6	Current affairs addresses key developments in UK and international news each week, considering both one-off events and on-going matters. Pupils will need to bring charged laptops to be able to participate in the activity.
CSU	NTW	L6-U6	Invite only - continuing placements from last term. You will be pre - selected on SOCs for this activity CSU (Community Service Unit) activities allow pupils to volunteer in the local community such as assisting at a local school for children with special needs during break times and at after school clubs. Visiting local care homes to chat to residents is another option, plus assisting staff at charity shops in Leatherhead. Gardening for local residents and taking food to a local homeless centre are further options.
Devising Drama GCSE	JRG, FJT	L5	Within this activity, pupils will use an extensive range of drama techniques to develop and polish devised drama performance work using stimuli as a starting point. Drama pupils will be pre-selected.
Early A level Language	NB	L5-U5	Invite only - you will be pre - selected on SOCs for this activity For the pupils who sat early GCSE, come and join us to further develop your language skills. We will focus on grammar and A level topics.
Economics (Junior)	JPDP	4F-L5	Junior economics studies issues in the news and provides an introduction to economic ideas and concepts. To give you an idea of what we discuss, last

Activity name	Staff in charge	Year group	Activity description
			term we looked at issues such as driverless cars, what is money, how financial markets work, crypto currencies and international trade issues.
English (Senior)	KMST	L6 - U6	This activity will allow English pupils the chance to discuss and to revise key extracts of Shakespeare and all things Ibssetti related.
Girls' football	LEH	All	With almost three million active female players, football is becoming one of the biggest women's team sports in England. Whether you fancy your chances at becoming one of the next generation of Lionesses, or simply just want to try out a new sport...girls' football is for you! Let's shatter the myth that football is just for boys.
Go 4 Set	THD	4F	This invite only activity will challenge the top STEM pupils in the fourth form to think about science, maths, D&E and to learn about these skills in industry working alongside companies like BP.
HPQ	JC	L5	The higher project qualification(HPQ) is a junior version of the EPQ that we offer in Sixth Form. It is an independent research project that will take place over the course of a year for one hour a week after school. Pupils will be expected to research beyond this time but they can chose their own topic and will learn vital skills that they can apply to their GCSEs and beyond such as selecting resources, report writing, presentation and self - evaluation.
L6 psychology research projects			You will be conducting primary research projects through designing and carrying out experiments, observations, questionnaires etc. to collect your own data. You will then analyse the data and write up your research into a report. Ideal for A level psychology as it will be complimentary to your research methods module, also open to other students interested in social science research.
OxBridge Arts and Humanities	OEPB	L6	This activity aims to support any pupils applying to Oxbridge for arts and humanities subjects. The sessions will provide a structure for wider reading and research, with a series of pupil-led presentations to peers giving the chance to showcase your knowledge and research. We will also be looking at admissions test preparation, and discussing first drafts of the personal statement to be completed over the summer. Anyone considering applying should come to this session.
Philosophy (Senior)	OJM	L6 - U6	Designed to make you think and to challenge your assumptions, this society requires sharp minds and debating instincts. Should we have complete freedom of speech? Is religion dead in the 21st century? Can we ever build a thinking, feeling robot? These questions and many more, will be at the heart of these sessions. This society is primarily for those who are thinking about taking degree with elements of philosophy, theology or ethics, as well as those looking to enhance their knowledge of these subjects.
Psychology (Junior)	AE	4F - U5	You will find out about the types of topics we study in psychology and identify one in particular that interests you. You will carry out research into this topic with guidance and create a presentation. At the end of term, you will present your topic to the rest of the group. Ideal for pupils interested in A level psychology in the future.
Senior School Rock Ensemble	<i>Stuart Ansell</i>	L5 - U6	An ensemble that excels in Rock music of the last 30 years.
Social tennis		All	The top tennis court and top astro will be open for social tennis where you can play with friends and arrange informal tournaments.
Mixed touch rugby	CAN CJTH NJK	4F - U6	Touch rugby is a great way to, learn or improve your rugby skills, get healthy and play enjoyable games. Rugby touch is aimed all levels of player from beginner to advanced and is non contact. Sessions will consist of skill challenges and fun in the form of activities and games and will be set on the

Activity name	Staff in charge	Year group	Activity description
			far side of senior field's. Trainers or ideally mounded boots, a full water bottle and energy are the only requirements from the pupils. We will have a tournament consisting of 4 teams.
TSA and ECAA preparation	APM	L6	The society helps prepare pupils in Lower Sixth who will be sitting an entrance test or assessment that requires the TSA or the Cambridge Economics Admissions Assessment. Any pupil who will be sitting either the TSA or ECAA as part of their university application process is welcome to attend.
Warhammer club	SHB	All	Warhammer is a tabletop battle game, which puts players in command of armies of valiant humans, noble elves, savage orcs or a variety of twisted and monstrous creatures. Players collect forces of miniature plastic models, all with different stats and abilities, and use them to play out clashes on a tabletop battlefield.
Your brand	KH	L5 - U6	Develop your own personal brand for all your communications. Everything you do, say and write contributes to your personal brand, so learn how to build a brand that reflects your true values and aspirations. This will be of particular interest to those interested in design, marketing, business and media.

THURSDAY

Activity name	Staff in charge	Year group	Activity description
CCF (Army, Navy, RAF)	ADR	L5-U6	<p>CCF is compulsory for L5 and voluntary for U5 - U6. It is compatible with the DofE volunteering criteria should pupils choose to undertake leadership roles.</p> <p>The St John's School CCF supports 350 pupils offering a broad range of challenging, exciting, adventurous and educational activities. Our aim is to enable the development of personal responsibility, leadership and self - discipline. The CCF is an educational partnership between the School and the Ministry of Defence. Some of the key CCF activities such as first aid, navigation, leadership and drill will be undertaken by cadets from all sections of the CCF. However, each service will also have specialist activities.</p> <p>Royal Navy - afloat training is the defining activity of the Naval Cadet Forces. The Royal Navy proficiency syllabus bases its training emphasis on leadership, afloat activities and adventurous training. Annual camps are held at Britannia Royal Naval College (Dartmouth), HMS Bristol (Portsmouth) and the Garelochhead Training Area (Scotland). There are also 100+ courses to choose from, many leading to nationally recognised qualifications. Cadets can do scuba diving, mountaineering, mountain biking, rock climbing, leadership, first aid, NPLQ, ice climbing, skiing, flying, shooting, and there is even a band course for budding musicians. These courses are sponsored by the Navy and therefore cost a fraction of the civilian equivalent. Many will qualify for the Gold DofE Residential Section.</p> <p>Army - the CCF(Army) aims to promote the qualities of responsibility, self - reliance, resourcefulness and a sense of service to the community. Activities include drill, skill at arms, shooting, fieldcraft and first aid and up to 40% of a cadet's time is spent on adventurous training activities. Joining the CCF (Army) provides a wonderful opportunity to take part in Army themed activities and events, all of which focus on building self - disciplined individuals with self - courage and a sense of worth. As a youth organisation, the CCF (Army) strives to give cadets a fun and safe experience. There is no commitment or expectation on cadets to join the regular Armed Forces when they have completed their schooling.</p> <p>Royal Air Force - the Air Cadet organisation's aims are to promote and encourage a practical interest in aviation and the Royal Air Force among young people, provide training, which will be useful in the Services and civilian life and encourage the spirit of adventure and develop qualities of leadership and good citizenship. You will have the opportunity to challenge yourself with adventurous training, be selected to represent your country or school on the International Air Cadet Exchange Programme, or develop your potential on the Air Cadet Leadership Course. Every year the CCF (RAF) provides cadets with approximately 36 flying scholarships, with every cadet having the opportunity to have at least one flying lesson with a qualified RAF pilot.</p>
Climbing	SJC	U5-U6	<p>This activity is a continuation of the climbing games option and is only available to those doing this in games and non - CCF pupils. The climbing club visits the southern sandstone crags in Kent and East Sussex accompanied by an SPA qualified Instructor and an experienced teacher. The group will be taken to and from the crags by minibus. Return time to School is 6.00pm.</p> <p>Although this activity will be partially subsidised by School finances, there is a cost to parents of £50 for the term. This helps to pay for minibus transport</p>

			costs and group climbing equipment such as ropes. Pupils will need to bring their own harnesses, rock shoes and suitable outdoor clothing, including warm layers and a waterproof jacket.
Conditioning		All	Supervised time in the new school gym. Staff will be on hand to advise with fitness programmes. Due to high demand, pupils will only be permitted to do conditioning if they do not do it as a games option and only one activity session in the gym per week will be allowed.
Cooking	NB, AMM	All	Come and join French cooking club - learn to cook simple and filling recipes. The cooking club will teach you to cook both sweet and sour dishes. Recipes are both in French and English.
Craft and Sewing club	LZH	All	This craft and sewing workshop offers a variety of creative and enjoyable activities to stimulate your creative mind. You will learn to sew basic hand stitch and needle work, discover cross stitch and felting techniques, and work through small projects like garland making, stuffed toys and dream catchers.
CSU	NTW	L6	Invite only - continuing placements from last term. You will be pre - selected on SOCs for this activity CSU (Community Service Unit) activities allow pupils to volunteer in the local community such as assisting at a local school for children with special needs during break times and at after school clubs. Visiting local care homes to chat to residents is another option, plus assisting staff at charity shops in Leatherhead. Gardening for local residents and taking food to a local homeless centre are further options.
Debating	JAT	4F	Learn how to debate successfully. Each week we will pick a topical debate and divide into two teams ready to do battle and win the argument.
Music scholars/theory	ANG, IOMM	All	Invite only - you will be pre - selected on SOCs for this activity This activity gives busy music scholars a chance to catch up on some practice or have support in preparing for upcoming theory exams of any grade. Support for composition and wider music exploration is also available during this activity.
Senior Maths and calculator club	FMCH	L6-U6	An opportunity for sixth form pupils to discover the functionality of the Casio calculators as well apply these skills to A level questions. Pupils will be able to come and ask questions on the curriculum as well as try out some of the key features on the calculators such as drawing graphs, solving equations and much more.
Sport scholars		4F	Invite only - sports scholars will take part in multi - sport training and skills sessions as well as receiving sport specific coaching.
Street Jazz	RSS	All	Street Jazz borrows a lot of movement from other dance styles. From ballet and modern, to hip - hop and lyrical it incorporates elements of other dance genres and wraps it into a funky style that is both fun and expressive! Open to all but best suited to those with dance experience or those keen to learn.
String Quartet	SLT	All	Invite only - you will be pre - selected on SOCs for this activity. We are very proud of our String Quartet which has recently covered repertoire of Mendelssohn, Shostakovich and Brahms; one of our flagship ensembles.

FRIDAY

Activity name	Staff in charge	Year group	Activity description
Christian Union	CMM	All	This group meets each Friday lunchtime (1.30, Rm 26) and is an opportunity to explore issues surrounding faith and belief from a Christian perspective. Please speak to Rev. Moloney for more details.
